NOTICE

Notice is hereby given that the Sixty Second Annual General Meeting of the Members of the Company will be held on Thursday the 30th day of August 2018 at 10.15 A.M. at Ardra Convention Centre, Kaanchan, 9, North Huzur Road, Coimbatore - 641 018, to transact the following business:

AGENDA

ORDINARY BUSINESS

1. To receive, consider and adopt the Audited Standalone and Consolidated Financial Statements of the Company for the financial year ended 31st March, 2018 together with the Reports of the Board of Directors and Auditors thereon.
2. To declare dividend on Equity Shares.
3. To appoint a Director in the place of Sri.V.Rajviradhan (DIN 00156787), who retires by rotation and being eligible, seeks re-appointment.
4. To appoint a Director in the place of Sri. S. Sivakumar (DIN 00016040), who retires by rotation and being eligible, seeks re-appointment.
5. To continue the appointment of the Statutory Auditor without ractification at every Annual General Meeting in this regard pass the following resolution as an Ordinary Resolution.

Resolved that in partial modification of the ordinary resolution passed at the Annual General Meeting held on 27th July, 2017 and in accordance with the amended Section 139 and other applicable provisions of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules 2014 including any Statutory enactments or modifications thereof, the approval of the members be and is hereby accorded to continue the appointment of M/s. Suri & Co., Chartered Accountants, (Firm Registration No. 004283S) at such remuneration as may be decided by the Board of Directors as per the recommendation of the Audit Committee, to hold office till the conclusion of the Annual General Meeting to be held in the year 2022 and the said appointment shall not be subject to ractification at every subsequent Annual General Meeting.

SPECIAL BUSINESS:

6. To consider and to pass the following resolution as an Ordinary Resolution.

“RESOLVED THAT pursuant to the provisions of Section 148 and all other applicable provisions of the Companies Act, 2013 and the Companies (Audit & Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof, for the time being in force) Dr. G.L. Sankaran, Cost Accountant, (Membership No.4482) appointed as Cost Auditor by the Board of Directors of the Company, to conduct the cost audit of the Company for the financial year ending 31st March, 2019, on a remuneration of ₹ 1.75 Lakhs (Rupees One Lakh Seventy Five Thousand Only) (exclusive of Goods & Service Tax and out of pocket expenses) be and is hereby ratified and confirmed.

7. To consider and to pass the following resolution as an Ordinary Resolution:

RESOLVED THAT pursuant to the provisions of Section 20(2) and other applicable provisions of the Companies Act, 2013, the consent of the Company be and is hereby accorded to charge from the member in advance an amount equivalent to the estimated actual expenses for delivery of the documents pursuant to any request made by the member for delivery of such document to him/her through a particular mode of delivery; provided such request along with the requisite fee has been duly received by the Company at least one week in advance of the dispatch of the document by the Company and that no such request shall be entertained by the Company post the dispatch of such document by the Company to the shareholder.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 6

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of Dr. G.L. Sankaran, Cost Accountant (Membership No.4482) as Cost Auditor to conduct the audit of the cost records of the Company for the financial year 2018-2019. In accordance with the

provisions of Section 148 of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor has to be ratified by the members of the Company.

Accordingly, consent of the members is sought for passing ordinary resolution as set out in item no.6 of the notice for ratification of remuneration payable to the Cost Auditor for conducting the cost audit of the Company, for the financial year ending 31st March, 2019.

None of the Directors and Key Managerial Personnel of the Company or their relatives is concerned or interested in the proposed Ordinary Resolution as set out at Item No. 6 of the Notice.

The Board recommends the Ordinary Resolution as set out at Item No. 6 of the Notice for approval by the members.

Item No. 7:

As per the proviso to Section 20 (2) of The Companies Act, 2013, a shareholder may request delivery of any document as may be delivered by the Company through a particular mode for which he shall pay such fee as may be determined by the Company in the Annual General Meeting. Since the cost of dispatch may vary from time to time and depending on the mode of dispatch, your Directors recommend to charge the estimated actual fee for delivery of any such documents through a particular mode as requested by the shareholder.

None of the Directors and the Key Managerial Personnel of the Company and their respective relatives are concerned or interested in the passing of the above resolution.

Accordingly, the Board recommends the Ordinary Resolution set out at item no. 7 of the Notice for approval of members' .

NOTES:

- 1. A Member entitled to attend and vote at the Annual General Meeting (“AGM”) is entitled to appoint one or more proxies to attend and vote on a poll instead of himself/ herself and such proxy need not be a Member of the Company. The instrument appointing the proxy, in order to be effective,**

must be deposited at the Company’s Registered Office, duly completed and signed, not less than forty eight hours before the commencement of AGM. A Proxy Form for the AGM is enclosed herewith.

A person can act as proxy on behalf of Members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the Company carrying voting rights. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.

- 2. Corporate Members/ Societies intending to send their authorized representative to attend the AGM are requested to send a duly certified copy of the Board of Directors / Governing Board Resolutions authorizing their representative to attend and vote on their behalf at the AGM.**
- 3. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“Act”) setting out material facts concerning the business under Item No.6 & 7 of the Notice, is annexed hereto. The relevant details, as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) & Secretarial Standard on General Meetings (SS-2) issued by ICSI, of the person seeking re-appointment as Director under Item No. 3 & 4 of the Notice are also annexed.**
- 4. The register of members and the share transfer book of the Company shall remain closed from Friday, 24.08.2018 to Thursday 30.08.2018 (Both days inclusive)**
- 5. The dividend, as recommended by the Board, if approved at the meeting, will be paid to the shareholders whose names appear in the register of members as on 23.08.2018 in respect of shares held in physical form and in respect of shares held in dematerialized form, the dividend shall be paid on the basis of beneficial ownership as per the details furnished by depositories for this purpose at the end of the business hours on 23.08.2018,**

and the above dividend will be paid on or before 25.09.2018.

6. Pursuant to the provisions of Section 124 (5) of the Act, the dividend(s) remaining unpaid or unclaimed for a period of seven years from the date of transfer to the Unpaid Dividend Account of the Company, is required to be transferred to the Investor Education and Protection Fund (IEPF), administered by the Central Government. During the financial year, the dividend declared by the Company for the financial year ended 31st March, 2010, which was unclaimed, has been transferred to IEPF. The Company has uploaded the details of the unclaimed amounts of dividend(s) of the Members on the website of the Company (www.lgb.co.in) as per the Investor Education and Protection Fund (Uploading of Information regarding unpaid and unclaimed amounts lying with Companies) Rules, 2012.

Member(s) who have not encashed their dividend warrants so far for the financial year ended March 31, 2011 or any subsequent financial years are requested to make their claims to the office of the Registrar and Share Transfer Agents, M/s.Cameo Corporate Services Limited, "Subramanian Building" No.1, Club House Road, Chennai- 600 002.

7. Compulsory transfer of Equity Shares to Investor Education and Protection Fund (IEPF) Authority:

Pursuant to the provisions of Section 124 (6) of the Act and Rule 6 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, ("the IEPF Rules") and amendments thereto, the Company has transferred the shares in respect of Members who have not claimed/encashed dividend for the last seven consecutive years to the Demat Account of the IEPF Authority. Details of the Members whose shares have been transferred to the Demat account of the IEPF Authority are available at the Company's website at www.lgb.co.in.

In the event Members do not claim dividend(s) that have remained unpaid/unclaimed for the Financial Year ended 31st March, 2011, as aforesaid, all the

shares in respect of such unpaid/unclaimed dividend(s) would have to be transferred to the IEPF Authority.

8. The Members/claimants whose shares, unpaid dividend, etc. have been transferred to the IEPF Authority, may claim the shares or apply for refund by making an application in Form IEPF-5 (available on www.iepf.gov.in) along with requisite fee as may be decided by the IEPF Authority from time to time. Mr. M.Lakshmikanth Joshi, General Manager Cum Company Secretary, is the Nodal Officer of the Company for the purpose of verification of such claims.
9. Members/proxies attending the meeting are requested to complete the enclosed attendance slip and deliver the same at the entrance of the meeting hall.
10. Members are requested to bring their copies of the Annual Report and Attendance Slip signed at the time of attending the meeting.
11. In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote.
12. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details such as bank account number, name of the bank and branch details, MICR code and IFSC code, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their depository participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrar and Share Transfer Agents, Cameo Corporate Services Limited to provide efficient and better services.

Members holding shares in physical form are requested to intimate such changes to M/s.Cameo Corporate Services Limited, "Subramanian Building" No.1, Club House Road, Chennai- 600 002.

13. Pursuant to the provisions of Section 101 and 136 of the Act read with the Companies (Management and Administration) Rules, 2014 and

in terms of Regulation 36 of the Listing Regulations, 2015, electronic copy of the Annual Report for 2018 is being sent to all the Members whose email IDs are registered with the Company/ Depository Participants(s) for communication purposes unless any Member has requested for a hard copy of the same. For Members who have not registered their email addresses, physical copy of the Annual Report for 2018 is being sent in the permitted mode.

14. Electronic copy of the Notice of the 62nd AGM of the Company, inter alia, indicating the process and manner of e-voting alongwith Attendance Slip and Proxy Form are being sent to all the Members whose email IDs are registered with the Company/ Depository Participants(s) for communication purposes unless any Member has requested for a hard copy of the same. For Members who have not registered their email address, physical copies of the Notice of the 62nd AGM of the Company, inter alia, indicating the process and manner of e-voting along with Attendance Slip and Proxy Form are being sent in the permitted mode.

Members who require communication in physical form in addition to ecommunication, or have any other queries, may write to us at: secretarial@lgb.co.in.

15. The Securities and Exchange Board of India (“SEBI”) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to M/s.Cameo Corporate Services Limited.

As per Regulation 40(7) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 submission of a copy of PAN card of the transferor and transferee is mandatory for transfer of shares held in physical form.

16. The Notice of AGM will be displayed on the website of the Company www.lgb.co.in.

17. Route Map showing directions to reach to the venue of the 62nd AGM is attached to this Annual Report as per the requirement of the Secretarial Standard-2 on “General Meetings” issued by the Institute of Company Secretaries of India.

18. Pursuant to Section 72 of the Act, Members holding shares in Physical form are advised to file nomination in the prescribed form SH-13 with the Company’s RTA. In respect of shares held in electronic/demat form, the members may please contact their respective depository participant.

Votes cast by members who hold shares on the cutoff date viz 23-08-2018 alone will be counted.

Instructions for Shareholders Voting Electronically are as under:

- (i) The voting period begins on 27-08-2018 at 9.00 AM and ends on 29-08-2018 2018 at 5.00 PM During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 23-08-2018 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. The shareholders should log on to the e-voting website www.evotingindia.com
- iii. Click on Shareholders.
- iv. Now Enter your User ID
 - a) For CDSL: 16 digits beneficiary ID,
 - b) For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c) Members holding shares in Physical Form should enter Folio Number registered with the Company.
- v. Next enter the Image Verification as displayed and Click on Login.
- vi. If you are holding shares in Demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- vii. If you are a first-time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form

PAN

Enter your 10-digit alpha-numeric PAN issued by Income Tax Department (Applicable for both Demat shareholders as well as physical shareholders)

- Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field.
- In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.

Dividend Bank Details or Date of Birth (DOB)

Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your Demat account or in the Company records in order to login.

- If both the details are not recorded with the depository or Company please enter the member ID / folio number in the Dividend Bank details field as mentioned in instruction (iv)

After entering these details appropriately, click on "SUBMIT" tab.

- ix. Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in Demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the Demat holders for voting for resolutions of any other company on which they are eligible to vote,

provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

- x. For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- xi. Click on the EVSN for 'L.G.Balakrishnan & Bros Limited'.
- xii. On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you "assent" to the Resolution and option NO implies that you "dissent" to the Resolution.
- xiii. Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- xiv. After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- xv. Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- xvi. You can also take print out of the voting done by you by clicking on "Click here to print" option on the Voting page.
- xvii. If Demat account holder has forgotten the login password, then enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- xviii. Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-voting app can be downloaded from Google Play Store. iPhone and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please

- follow the instructions as prompted by the mobile app while voting on your mobile.
- xix. Note for Non - Individual Shareholders and Custodians**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
 - The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- xx.** In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at helpdesk.evoting@cdslindia.com.
19. The voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date (record date) of 23-08-2018. MDS & Associates, Company Secretaries in Practice, Coimbatore has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
20. The Scrutinizer shall immediately after the conclusion of the Annual General Meeting first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two (2) witnesses not in the employment of the Company and make a Scrutinizer’s Report of the votes cast in favour or against, if any, forthwith to the Chairman of the Company.
21. The result declared along with the Scrutinizer’s Report shall be placed on the Company’s website www.lgb.co.in and on the website of CDSL immediately. The Company shall simultaneously forward the results to National Stock Exchange of India Limited and BSE Limited, where the shares of the Company are listed.
22. Request for additional information, if required: In case you intend to raise any queries in the forthcoming Annual General Meeting, you are requested to please forward the same at least 10 days before the date of the Meeting to Mr.M.Lakshmi Kanth Joshi, General Manager cum Company Secretary, to the Registered Office address so that the same may be attended appropriately to your entire satisfaction.

* Effective date 27.07.2018, the Company completed the merger of M/s. B.C.W. VTech India (P) Limited. Financial Year 2017 has been restated considering the said merger. The appointed date of merger was April 1, 2017.

INDIAN ACCOUNTING STANDARDS (IND AS)

The Company had adopted Ind AS with effect from 1st April, 2017 pursuant to the Ministry of Corporate Affairs notification dated 16th February, 2015 notifying the Companies (Indian Accounting Standard) Rules, 2015. Accordingly, the Financial Statements for the year ended 31st March, 2018 of the Company and its subsidiary were prepared with comparative data, in compliance with Ind AS.

CONSOLIDATED FINANCIALS

During the year under review, your Company's consolidated total revenue stood at ₹ 145,933.92 Lakhs as compared to ₹ 140,287.38 Lakhs for the previous year, representing an increase of 4.02%; profit before exceptional and extraordinary items and tax stood at ₹ 13,117.75 Lakhs for the year under review as compared to ₹ 10,201.17 Lakhs for the previous year, profit after tax after share of Profit of Associate stood at ₹ 8,948.33

Lakhs as compared to ₹ 7,625.48 Lakhs for the previous year.

STANDALONE FINANCIALS

During the year under review, the Total Revenue stood at ₹ 135,555.03 Lakhs as compared to ₹ 128,720.80 Lakhs for the previous year, profit before exceptional and extraordinary items and tax stood at ₹ 12,276.00 Lakhs for the year under review as compared to ₹ 9,047.01 Lakhs for the previous year, profit for the year stood at ₹ 8,009.94 Lakhs as compared to ₹ 6,605.34 Lakhs for the previous year.

TRANSFER TO RESERVES

The Company has transferred an amount of ₹ 7500 Lakhs to the General Reserve out of the amount available for appropriations and the remaining amount of ₹ 7,527.24 Lakhs has been retained in the Profit and Loss Account.

DIVIDEND

Your Company has a consistent track record of dividend payment. Continuing with this trend, Directors are pleased to recommend a dividend of ₹ 4.50 (45%) per share of ₹ 10/- each on Equity Share Capital of the Company which includes the bonus shares allotted, subject to the approval of shareholders at the ensuing Annual General Meeting which would result in appropriation of ₹ 1413.00 Lakhs out of profits of the Company for the current year as against ₹ 1099.00 Lakhs in the previous year.

The dividend if approved by the members at the forthcoming Annual General Meeting, will be paid in compliance with applicable regulations.

TRANSFER TO INVESTORS EDUCATION AND PROTECTION FUND

The Company sends intimations to all shareholders whose dividends are unclaimed so as to ensure that they receive their rightful dues. Efforts are also made to co-ordinate with the Registrar and Share Transfer Agents to locate the shareholders who have not claimed their dues.

During the financial year 2017-18, the Company has transferred a sum of ₹ 4.44 Lakhs to Investor Education & Protection Fund, the amount which was due and payable and remained unclaimed and unpaid for a period of seven years. Despite the reminder letters sent to each shareholder, the amount remained unclaimed and the same was transferred.

The Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on 27th July, 2017 (date of last Annual General Meeting) on the website of the Company (www.lgb.co.in), as also on the Ministry of Corporate Affairs website.

SHARE CAPITAL

The paid up share capital of the Company as at 31st March 2018 aggregates to ₹ 15,69,62,080/- comprising of 15,696,208 equity shares of ₹ 10/- each fully paid up.

BONUS ISSUE.

The Company has issued 15,696,208 fully paid up Equity Shares of ₹ 10/- each as Bonus Shares in the ratio of 1:1 to the shareholders of the Company as on June 16, 2018 by capitalizing a sum of ₹ 156,962,080/- out of the

Securities Premium Account and General Reserve account of the Company.

AMALGAMATION / MERGER

The Hon,ble National Company Law Tribunal, Chennai Bench (NCLT) vide its order dated July 13, 2018 sanctioned the Scheme of Amalgamation of M/s. BCW V Tech India Private Limited with the Company with effect from the appointed date April 1, 2017. The said order was filed with the Registrar of Companies, Coimbatore on July 27, 2018, pursuant to which the Scheme has come into effect.

NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

Detailed composition of the Board and Board Committees namely Audit Committee, Nomination and Remuneration Committee, CSR Committee, Stakeholders Relationship Committee, number of meetings held during the year under review, attendance of each Director and other related details are set out in the Corporate Governance Report which forms a part of this Report.

DECLARATION BY INDEPENDENT DIRECTORS

Our definition of 'Independence' of Directors is derived from Regulation 16(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 149(6) of the Companies Act, 2013. Based on the confirmation / disclosures received from the Directors and on evaluation of the relationships disclosed, the following Non-Executive Directors are Independent:

Sri. P. Balasubramanian, Sri.V. Govindarajulu
Sri. P. Shanmugasundaram, Dr. T. Balaji
Sri. R. Vidhya Shankar

BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosures Requirements) Regulations 2015, the Board has carried out an annual performance evaluation of its own performance, the Directors individually and the Committees of the Board.

A structured questionnaire was prepared after taking into consideration inputs received from Directors, covering aspects of the Board's functioning such as adequacy of the Composition of the Board and its Committees, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of the Individual Directors including the Chairman of the Board. The Directors' performance was evaluated on parameters such as level of engagement and contribution in safeguarding the interest of the Company etc.

The performance evaluation of the Independent Directors was carried out by the entire Board. Further the performance evaluation of the Chairman and Non Independent Directors was carried out by the Independent Directors.

FAMILIARIZATION PROGRAMMES

In compliance with the requirements of the Listing Regulations, the Company has put in place a familiarization programme for the Independent Directors to familiarize them with their roles, rights and responsibilities as Independent Directors, the working of the Company, nature of the industry in which the Company operates, business model and so on. The same is also available on the Company website at www.lgb.co.in.

DIRECTORS RETIREMENT BY ROTATION

Pursuant to the provisions of Section 152 of the Companies Act, 2013, Sri. V. Rajvirdhan (DIN: 00156787) & Sri. S. Sivakumar (DIN:00016040), Directors being longest in the office, are liable to retire by rotation at the ensuing Annual General Meeting of the Company and being eligible have offered themselves for re-appointment. Necessary resolutions for their re-appointment are included in the Notice of AGM for seeking approval of Members. The Directors recommend their re-appointment for your approval.

A brief resume and particulars relating to them are given separately as an annexure to the AGM Notice.

KEY MANAGERIAL PERSONNEL

There were no changes in the Key Managerial Personnel during the year.

DIRECTORS' RESPONSIBILITY STATEMENT

In terms of Section 134(5) of the Companies Act, 2013, in relation to the audited financial statements of the Company for the year ended on 31st March, 2018, the Board of Directors hereby confirms that,

- (a) in the preparation of the annual accounts, the applicable accounting standards have been followed and there are no material departures;
- (b) that such accounting policies have been selected and applied consistently and the Directors made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- (c) proper and sufficient care was taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the annual accounts of the Company have been prepared on a going concern basis;
- (e) internal financial controls have been laid down to be followed by the Company and that such internal financial controls are adequate and were operating effectively;
- (f) proper system have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31STMARCH, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members,
L.G. BALAKRISHNAN & BROS LIMITED,
(CIN: L29191TZ1956PLC000257)
6/16/13 Krishnarayapuram Road
Ganapathy, Coimbatore -641006

I have conducted the Secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s L.G. BALAKRISHNAN & BROS LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of **M/s. L.G. BALAKRISHNAN & BROS LIMITED**'s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended **31st March, 2018**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2018 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

- iii. The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings.
- v. The following Regulations prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client;

I have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards with respect to Board Meetings (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India (ICSI);
- b. The Listing Agreement entered into by the Company with BSE Limited and the National Stock Exchange of India Limited;

During the year under review the Company has complied with the provisions of the Act, Rules, Regulations, and Standards etc., mentioned above.

further report that, during the year under review, there were no actions/ events in pursuance of the following Rules/ Regulations requiring compliance thereof by the Company:

- a. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- b. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- c. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- d. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- e. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

I further report that based on the information provided by the Company, its officers and authorized representatives, there are no laws specifically applicable to the Company.

I further report that having regard to the compliance system prevailing in the Company and on the review of quarterly compliance reports taken on record by the Board of Directors and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the labour and environmental laws as applicable.

I further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same has been subject to review by statutory financial auditor and other designated professionals.

I further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and a Woman Director. There were no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda

Place : Coimbatore
Date : 31.07.2018

were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board meetings and Committee meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

I further report that during audit period under review the Board of Directors, Creditors and shareholders have approved a Scheme of Amalgamation of BCW V Tech India Private Limited, Wholly Owned Subsidiary with the Company, pursuant to the provisions of Sections 230 to 232 of the Companies Act, 2013 read with rules thereto. Subsequently, the Hon'ble National Company Law Tribunal (NCLT), Chennai Bench vide order dated July 13, 2018 has approved the Scheme of Amalgamation. The said order was filed with the Registrar of Companies, Coimbatore by the Company and BCW V Tech India Private Limited on July 27, 2018 (Effective date) upon which the Scheme came into effect from the appointed date i.e., April 1, 2017.

Other than the above, there were no instances of

- Public / Rights / Preferential issue of shares / debentures / sweat equity
- Redemption / buy-back of securities
- Major decision taken by the members in pursuance to section 180 of the Companies Act, 2013
- Reconstruction etc.
- Foreign technical collaborations

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

FY 17-18 proved to be an exciting year for the domestic auto industry. Some of the factors attributable to this include: the implementation of the long awaited GST and doing away with the conventional sales and excise tax System.

The auto-components industry accounts for almost seven per cent of India's Gross Domestic Product (GDP) and employs as many as 25 million people, both directly and indirectly. A stable government framework, increased purchasing power, large domestic market, and an ever increasing development in infrastructure have made India a favorable destination for investment.

COMPANY AND BUSINESS OVERVIEW

The Company is engaged in the business of manufacturing Chains, Sprockets and Metal Formed Parts for automotive applications. The Company products are marketed under the proprietary brand "Rolon", the most trusted and reputed supplier of Original Equipment Manufacturers (OEM) in India, with approx. 60 % market share in the Indian Two Wheeler industry. Product quality, cost competitiveness, continuous product innovation and excellent customer service are key features of this business. Apart from OEMs, this segment also caters to export, after market and spares segments.

OPPORTUNITIES:

There is a wide expectation that the automotive industry is expected to grow at a faster pace than the previous years. Due to pricing pressures from various changes there is a renewed push towards indigenisation. This is very important and it is expected to further enhance the growth figures.

New vehicles and new models are being introduced every year calling for a faster development cycle. This will affect not only to our company but right through the automotive manufacturing chain and presents marvellous opportunities. Our company has been growing steadily and has invested significantly in technology as well as capacity and is ready to capitalise on such opportunities.

THREATS:

The emergence of the electric vehicles both two wheeler and four wheeler is bound to temporarily affect conventional vehicles with the internal combustion engine

(ICE). The ICE currently has an efficiency of only 20%. A number of vehicle manufacturers are working on improving the efficiency and have reported an increase to 27%. This gain of 7% is enough to improve the fuel economy and also to bring emission down to the point of making the improved ICE the cleanest and the cheapest source of motive power.

Though the electric vehicle is flouted as the cleanest mode of travel, we must remember that electricity especially in India is produced by burning coal and fossil fuels which are as dirty if not dirtier than the ICE for the motive power that they deliver. The disposal of the batteries from EV is an additional problem without a solution.

We do not want our planet to become further polluted by inappropriate disposal of the battery cells.

Although in short term there could be a temporary shift towards electric vehicles, in the long term we have been given to understand by our larger customers that the Electric Vehicles market share will not exceed 35% on a global basis.

RISKS AND CONCERNS

The Company has put in place a risk management policy to identify the nature and magnitude of risk associated with the Company and to take steps for mitigating the impact of such risks. These are reviewed periodically and placed before the Board.

Your Company depends on external factors such as power, fuel, consumables, packing and forwarding. These impact the Company's manufacturing costs significantly which are beyond the Company's control. Therefore, any significant rise in input costs may affect your Company's overall profitability

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal control systems to monitor internal business process, financial reporting and compliance with applicable laws. The company periodically reviews the adequacy and effectiveness of the control systems. The Audit Committee at their meetings regularly reviews the significant observations of the compliance and other monitoring reports. The heads of various monitoring / operating cells and statutory auditors are invited to attend the Audit Committee meetings

HEALTH, SAFETY, SECURITY ENVIRONMENT

The Company already has in place its own Safety System. Regular training is imparted to the workers and staff at all levels. The increased focus on safety has resulted in improved safety records at all our Plants and thus has improved the working environment.

HUMAN RESOURCES / INDUSTRIAL RELATIONS

The Company maintained cordial relations with its workforce. As a result, there were no interruptions or halts in work at any of the plant or any action taken against the management. LGB takes sufficient care of its employees across levels and provides adequate motivation as well as a friendly environment. During the year, employee relationships remained cordial through the adoption of productive and performance-based policies.

Training and development of employees continue to be an area of prime importance. The devotion and

commitment of our employees has enabled the Company to fulfill its targets and deadlines in time.

RISK MANAGEMENT

Risk Management is an integral part of the business process, with the help of experts, the Company mapped the risks at the business processes and enterprise levels and evolved a risk management framework. Mitigative measures have been identified in respect of the latter. These would be periodically reviewed by the Board of Directors.

CAUTIONARY STATEMENT

The Management Discussion and Analysis Report contains forward looking statements based upon the data available with the Company, assumptions with regard to global economic conditions, the government policies etc. The Company cannot guarantee the accuracy of assumptions and perceived performance of the Company in future. Therefore, it is cautioned that the actual results may materially differ from those expressed or implied in the report.

For and on behalf of the Board of Directors

Dematerialization of Shares and Liquidity

Particulars	No. of Shares	Percentage (in Share Capital)
National Securities Depository Limited	14,089,542	89.76
Central Depository Services (India) Limited	1,142,951	7.28
Physical	463,715	2.96
Total	15,696,208	100.00

Shareholders, who continue to hold shares in physical form, are requested to dematerialize their shares at the earliest and avail of the various benefits of dealing in securities in electronic/dematerialized form. The shareholders have the option to hold Company's shares in demat form through the National Securities Depository Limited (NSDL) or Central Depository Services (India) Limited (CDSL). The system for getting the shares dematerialized is as under:

- ❖ Share certificate(s) along with Demat Requisition Form (DRF) is to be submitted by the shareholder to the Depository Participant(DP) with whom he/ she has opened a Depository Account;
- ❖ DP processes the DRF and generates a unique number viz. DRN;
- ❖ DP forwards the DRF and share certificates to the Company's Registrars & Share Transfer Agents;

- ❖ The Company's Registrars & Share Transfer Agents after processing the DRF, confirms the request to the Depositories by cancellation of physical share certificates; and
- ❖ Upon confirmation, the Depository gives the credit to shareholder in his/her depository account maintained with DP.

Outstanding GDRs/ADRs/Warrants or any convertible instruments, conversion date and likely impact on equity

The Company has not issued Global Depository Receipts or American Depository Receipt or Warrants or any Convertible instruments.

Commodity Price Risk/ Foreign Exchange Risk and Hedging

The Company did not engage in hedging activities.

12. Disclosures

a. Related Party Transactions:

All the related party transactions are entered on arm's length basis, in the ordinary course of business and are in compliance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and disclosure Requirements) Regulations, 2015.

There are no materially significant related party transactions made by the Company with Promoters, Directors or Key Managerial Personnel etc. which may have potential conflict with the interest of the Company at large. The details of the transactions with Related Party are provided in the Company's financial statements in accordance with the Accounting Standards.

Kindly refer to the notes forming part of accounts for the details of Related Party Transactions.

All Related Party Transactions are presented to the Audit Committee and the Board. Omnibus approval is obtained for the transactions which are foreseen and repetitive in nature. A statement of all related party transactions is presented before the Audit Committee on a quarterly basis, specifying the nature, value and terms and conditions of the transactions.

The Related Party Transactions Policy as approved by the Board is uploaded on the Company's website <http://www.lgb.co.in/pdf/related-party-transactions-policy.pdf>

b. Strictures and Penalties

There were no instances of non-compliance by the Company or any penalties or strictures imposed on the Company by stock exchanges or SEBI or any statutory authority on any matter related to capital markets during the last three years.

c. Vigil Mechanism and Whistle-Blower Policy

The Company has adopted a Whistle Blower Policy to provide a formal mechanism to the Directors and employees to report their concerns about unethical behavior, actual or suspected fraud or violation of the Company's Code of Conduct or ethics policy. The Policy provides for adequate safeguards against victimization of employees who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee. It is affirmed that no personnel of the Company has been denied access to the Audit Committee.

The Whistle Blower Policy has been posted on the website of the Company www.lgb.co.in.

Your Company hereby affirms that no complaints were received during the year under review.

d. Details of compliance with mandatory requirements

The Company has complied with all mandatory requirements laid down under the provision of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Details of compliance of non-mandatory requirements

The Company has adopted the non-mandatory requirement of Reporting of internal auditors to Audit Committee as recommended under Regulation 27(1) read with Part E of Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the current financial year, there are no audit qualifications in the financial statements of the Company. The Company continues to adopt appropriate best practices in order to ensure unqualified financial statements.

The Company has not adopted any other non- mandatory requirements.

e. Policy for determining ‘material’ subsidiaries

As required under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has formulated a Policy for determining ‘material’ subsidiaries which has been put up on the website of the Company at <http://www.lgb.co.in>

Material unlisted subsidiary

During the year, the Company did not have any material unlisted subsidiary companies which are subject to special governance norms in terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. However, minutes of the meetings of the Board of Directors of all subsidiary companies are placed before the Board of Directors of the Company for their review and noting.

f. Commodity price risks and Commodity hedging activities

During the financial year ended 31st March, 2018 the company did not engage in commodity hedging activities.

Disclosure of Accounting Treatment

In the preparation of the financial statements, the Company has followed the Accounting Standards referred to in Section 133 of the Companies Act, 2013. The significant accounting policies which are consistently applied are set out in the Notes to the Financial Statements.

Risk Management

Business risk evaluation and management is an ongoing process within the Company. The assessment is periodically examined by the Board.

13. There has been no instance of non-compliance of any requirement of Corporate Governance Report.

The Company has complied with all the mandatory requirements specified in Regulations 17 to 27 and clauses (b) to (i) of sub - regulation (2) of Regulation 46 of the Listing Regulations

Certificate from CEO/CFO

The CEO certification of the financial statements for the year has been submitted to the Board of Directors, in its meeting held on April, 28, 2018 as required under SEBI (Listing Obligations and Disclosure Requirements) Regulations.

14. DECLARATION - CODE OF CONDUCT

I, B.Vijayakumar, Chairman cum Managing Director of L.G.Balakrishnan & Bros Limited, declare that all the members of the Board of Directors and Senior Management have, for the year ended 31st March, 2018 affirmed compliance with the Code of Conduct laid down by the Board of Directors and Senior Management in terms of Regulation 26(3) read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of L.G. Balakrishnan & Bros Limited

I have examined the compliance conditions of Corporate Governance by M/s. L. G. Balakrishnan & Bros Limited (The Company) for the financial year ended 31st March, 2018 as stipulated under SEBI (Listing Obligations and Disclosures Requirements) Regulation, 2015.

The Compliance of conditions of Corporate Governance is the responsibility of the Management. My examination was limited to a review of the procedures and implementations thereof adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated under SEBI (Listing Obligations and Disclosures Requirements) Regulation, 2015. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanation given to me and based on the representations made by the Directors and Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated under SEBI (Listing Obligations and Disclosures Requirements) Regulation, 2015.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

TO

THE MEMBERS OF L.G.BALAKRISHNAN & BROS LIMITED

Report on the Standalone Ind AS Financial Statements:

We have audited the accompanying Standalone Ind AS Financial Statements of L.G.BALAKRISHNAN & BROS LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act 2013, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified u/s 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Standalone Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Standalone Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on Standalone Ind AS Financial Statements.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the state of affairs of the Company as at 31 March 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements:

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we enclose in "Annexure A", a statement on the matters specified in Paragraphs 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of accounts.
- d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rules thereunder.
- e) On the basis of the written representations received from the directors as on 31 March 2018 taken on record

by the Board of Directors, none of the directors are disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position on its Standalone Ind AS Financial Statements.
 - ii. The company did not have any material foreseeable losses on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

‘Annexure -A’ to the Independent Auditor’s Report to the members of L.G.BALAKRISHNAN & BROS LIMITED

In terms of the information and explanation sought by us and given by the Company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report the following:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) Some of the fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us no material discrepancies were noticed on such verification.
 - (c) According to the information and explanation given to us and the books and records verified by us and based on the examination of the registered sale deeds provided to us, we report that, the title deeds of immovable properties of land and buildings which are freehold are held in the name of the company as at Balance sheet date except for the immovable properties acquired on merger which are held in the name of the erstwhile transferee company. In respect of immovable properties of land that have been taken on lease and disclosed as fixed assets in the financial statements and the buildings constructed on such leasehold land, whose lease deeds have been pledged as security for credit facilities taken from the banks, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement based on the confirmation directly received from banks.
- ii. According to information and explanations furnished to us, the inventories have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification.
- iii. The Company has not granted loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- iv. The Company has not granted any loans hence provisions of Section 185 are not applicable. The Company has made Investments and provided guarantee which are within the limits of Section 186 of the Companies Act, 2013.
- v. According to the explanation and information provided to us, the Company has complied with the provisions of Sections 73 to 76 and any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014. We have been informed that no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any court or any other Tribunal.
- vi. The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013 for automotive components. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and any other statutory dues with the appropriate authorities and there are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable as at the balance sheet date.

(b) The particulars of disputes statutory dues are as follows:

- viii. In our opinion and according to the information and explanation given to us, the company has not defaulted in repayment of dues to financial institutions and banks. The company has not taken any loan from Government and has not issued any debentures.
- ix. The company has not raised any money by way of initial public offer or further public offer during the year.
- x. According to the information and explanation given to us, no frauds by the company and no material fraud on the company by its officers or employees has been noticed or reported during the year.
- xi. The managerial remuneration has been paid and provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of Paragraph 3 of the order is not applicable.
- xiii. In our opinion based on the information and explanation given to us, all transactions with the related parties are in compliance with section 177 and 188 of Act and the details thereof have been disclosed in the Standalone Ind AS Financial Statements as required by the applicable accounting standards and the Act.
- xiv. The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence reporting under clause (xiv) of Paragraph 3 of the Order is not applicable.
- xv. The company has not entered into any non-cash transactions with directors or persons connected with him and hence reporting under clause (xv) of Paragraph 3 of the Order is not applicable.
- xvi. The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

**“Annexure - B” to the Independent Auditor’s Report to the members of L.G.BALAKRISHNAN & BROS LIMITED
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies
Act, 2013:**

We have audited the internal financial controls over financial reporting of L.G.BALAKRISHNAN & BROS LIMITED (“the Company”), as of 31 March 2018 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for the Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that:-

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Standalone Financial Statements for the year ended March 31, 2018

I Corporate Information

L.G.Balakrishnan & Bros Limited was founded in 1937 as a transport Company and has evolved today as a major manufacturer of chains, sprockets and metal formed parts for automotive applications. Its business segments include transmission, metal forming and others. Its transmission products include chains, sprockets, tensioners, belts and brake shoe. It also offers metal forming products consisting of fine blanking for precision sheet metal parts, machined components and wire drawing products for internal use as well as for other chain manufacturing plants, spring steel suppliers and umbrella manufacturers. The Company's products are marketed under the "Rolon" brand. LGB has manufacturing units spread across Tamil Nadu, Maharashtra, Utrakhand, Karnataka, Hariyana and Rajasthan.

II Basis of preparation of financial statements**Statement of compliance**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Certain fixed assets of the Company which were acquired before April 1, 2014 have been fair valued in earlier years (prior to transition date), based on scheme of arrangement approved by the High court of Judicature. However, for transition to Ind AS, the Company has elected to continue with the carrying value of such assets as of April 01, 2016 measured as per previous GAAP and use that carrying value as deemed cost as of transition date.

Basis of preparation and presentation

For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

The financial statements for the year ended March 31, 2018 are the first financial statements the Company has prepared in accordance with Ind AS with the date of transition as April 1, 2016. Refer to note 43 for information on how the Company adopted Ind AS.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- a) Derivative financial instruments
- b) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional

Notes to Standalone Financial Statements for the year ended March 31, 2018

currency. All financial information presented in INR has been rounded to the nearest Lakhs (up to two decimals).

The financial statements are approved for issue by the Company's Board of Directors on 31st July, 2018.

IIA Property, Plant and Equipment (PPE), Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by the technical team at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

Current tax

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

Deferred Tax Assets (including MAT Credit Entitlement)

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained/ recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Fair value

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. In applying the valuation

techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Impairment of Trade Receivables

The impairment for trade receivables are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

Impairment of Non-financial assets (PPE/ Intangible Assets/ Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

Defined Benefit Plans and Other long term employee benefits

The cost of the defined benefit plan and other long term employee benefits, and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the

Notes to Standalone Financial Statements for the year ended March 31, 2018

assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the reporting date. The actual outflow of resources at a future date may therefore vary from the figure estimated at end of each reporting period.

IIB Recent accounting pronouncements

Standards issued but not yet effective

The following standards have been notified by Ministry of Corporate Affairs

- a. Ind AS 115 - Revenue from Contracts with Customers (effective from April 1, 2018)
- b. Ind AS 116 - Leases (effective from April 1, 2019)

The Company is evaluating the requirements of the above standards and the effect on the financial statements is also being evaluated.

III Significant Accounting Policies

a) Revenue Recognition

Sale of goods

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue on sale of goods is recognised when the risk and rewards of ownership is transferred to the buyer, which generally coincides with the despatch of the goods or as per the terms agreed with the customers.

Income from Service

Income from sale of services is recognised when the services are rendered as per the terms of the agreement and when no significant uncertainty as to its determination or realisation exists.

Interest Income

Interest income is recorded using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognized when the company's right to receive dividend is established on the reporting date, which is generally when shareholders approve the dividend.

Rental income

Rental income from operating lease on investment properties is recognised on a straight line basis over the term of the relevant lease, if the escalation is not a compensation for increase in cost inflation index.

b) Property, plant and equipment and capital work in progress

Deemed cost option for first time adopter of Ind AS

Under the previous GAAP (Indian GAAP), property, plant and equipment were carried in the balance sheet at cost less accumulated depreciation. The Company has elected to consider the previous GAAP carrying amount of the intangible assets as the deemed cost as at the date of transition, viz., 1 April 2016.

Property, plant and equipment and capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The actual cost capitalised includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction / installation stage. Such cost includes the cost of replacing part of the plant and equipment and borrowing

Notes to Standalone Financial Statements for the year ended March 31, 2018

costs of a qualifying asset, if the recognition criteria are met.

Advances paid towards the acquisition of tangible assets outstanding at each balance sheet date, are disclosed as capital advances under long term loans and advances and the cost of the tangible assets not ready for their intended use before such date, are disclosed as capital work in progress.

All material/ significant components have been identified and have been accounted separately. The useful life of such component are analysed independently and wherever components are having different useful life other than plant, the useful life of components are considered for calculation of depreciation.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c) Depreciation on property, plant and equipment

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a written down value method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value.

Depreciation is provided on straight line method, over the useful lives specified in Schedule II to the Companies Act, 2013 except for the following items, where useful life estimated on technical assessment, past trends and differ from those provided in Schedule II of the Companies Act, 2013.

Assets Category	Estimated useful life (in years)
Tools and dies	5
Leasehold land	99
Windmill	25

Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded/ sold. Additions to fixed assets, costing 5000 each or less are fully depreciated retaining its residual value.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Intangible assets

Under the previous GAAP (Indian GAAP), intangible assets were carried in the balance sheet at cost less accumulated depreciation. The Company has elected to consider the previous GAAP carrying amount of the intangible assets as the deemed cost as at the date of transition, viz., 1 April 2016.

Intangible assets acquired separately are measured on initial recognition at cost. The cost of a separately acquired intangible asset comprises (a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and (b) any directly attributable cost of preparing the asset for its intended use.

Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

Notes to Standalone Financial Statements for the year ended March 31, 2018

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

e) Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes).

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16 - Property, plant and equipments requirements for cost model.

Company depreciates investment property as per the useful life prescribed in Schedule II of the Companies Act, 2013.

Though the Company measures investment property using the cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation applying a valuation model. External valuers are involved, wherever necessary with the approval of Company's board of directors. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

f) Inventories

Inventories are valued at lower of cost and net realizable value. Cost includes all direct costs and applicable production overheads, to bring the goods to the present location and condition.

- i) Costs of raw materials, packing materials, tools and dies and Store & Spare Parts are computed on weighted average basis.

- ii) Costs of finished goods and semi-finished goods are computed on weighted average basis.
- iii) Agriculture Produce is valued at estimate realizable value.
- iv) Cost of stock held for trading are computed on weighted average basis.

g) Financial Instruments

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are also added to the cost of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified on the basis of their contractual cash flow characteristics and the entity's business model of managing them.

Financial assets are classified into the following categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

The Company classifies a debt instrument as at amortised cost, if both the following conditions are met:

Notes to Standalone Financial Statements for the year ended March 31, 2018

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instrument at FVTOCI

The Company classifies a debt instrument at FVTOCI, if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset’s contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes finance income, impairment losses and reversals and foreign exchange gain or loss in the profit and loss statement. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

The Company classifies all debt instruments, which do not meet the criteria for categorization as at amortized cost or as FVTOCI, as at FVTPL

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. Where the Company makes an irrevocable election of classifying the equity instruments at FVTOCI, it recognises all subsequent changes in the fair value in OCI, without any recycling of the amounts from OCI to profit and loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents SPPI, are measured as detailed below depending on the business model:

Classification	Name of the financial asset
Amortised cost	Trade receivables, deposits, interest receivable, unbilled revenue and other advances recoverable in cash.
FVTOCI	Equity investments in companies other than subsidiaries and associates if an option exercised at the time of initial recognition.
FVTPL	Other investments in equity instruments, mutual funds, forward exchange contracts (to the extent not designated as a hedging instrument).

Notes to Standalone Financial Statements for the year ended March 31, 2018

Derecognition

A financial asset is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, receivables and bank balance.
- b) Financial assets that are debt instruments and are measured at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 17

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL and as at amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an

Notes to Standalone Financial Statements for the year ended March 31, 2018

integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to profit and loss. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and, if not designated as at fair value through profit or loss, are subsequently measured at higher of (i) The amount of loss allowance determined in accordance with impairment requirements of Ind AS 109 - Financial Instruments and (ii) The amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18 - Revenue.

Derivative financial instruments

The Company holds derivative financial instrument foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

(a) Derivatives fair valued through profit or loss

This category has derivative financial assets or liabilities which are not designated as hedges. "Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that

Notes to Standalone Financial Statements for the year ended March 31, 2018

is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss."

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets / liabilities in this category are presented as current assets / current liabilities if they are either held for trading or are expected to be realized within 12 months after the Balance Sheet date.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

h) Foreign currency transactions and translations

Transactions and balances

Transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. However, for practical reasons, the Company uses an average rate, if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

The Company enters into forward exchange contract to hedge its risk associated with Foreign currency fluctuations. The premium or discount arising at the inception of a forward exchange contract is amortized as expense or income over the life of the contract. In case of monetary items which are covered by forward exchange contract, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference. Any profit or loss arising on cancellation of a forward exchange contract is recognized as income or expense for that year.

i) Borrowing Costs

Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Notes to Standalone Financial Statements for the year ended March 31, 2018

Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing cost that the Company capitalises during the period does not exceed the amount of borrowing cost incurred during that period. All other borrowings costs are expensed in the period in which they occur.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

j) Government grants

Government grants are recognised at fair value where there is a reasonable assurance that the grant will be received and all the attached conditions are complied with.

In case of revenue related grant, the income is recognised on a systematic basis over the period for which it is intended to compensate an expense and is disclosed under “Other operating revenue” or netted off against corresponding expenses wherever appropriate.

k) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be

recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Where there is deferred tax assets arising from carry forward of unused tax losses and unused tax created, they are recognised to the extent of deferred tax liability.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are

Notes to Standalone Financial Statements for the year ended March 31, 2018

recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

l) Retirement and other employee benefits

Short-term employee benefits

A liability is recognised for short-term employee benefit in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Defined contribution plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as

a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined benefit plans

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

Notes to Standalone Financial Statements for the year ended March 31, 2018
Other long term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by the employees up to the reporting date.

m) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to April 1, 2016, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. All other leases are operating leases.

Operating Lease treatment as leasee:

Lease arrangements under which all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease rental under operating lease are recognised in the Statement of Profit and Loss on a straight line basis over the lease term

n) Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's

or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

o) Provisions, contingent liabilities and contingent asset
Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are discounted, if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Necessary provision for doubtful debts, claims, etc., are made, if realisation of money is doubtful in the judgement of the management.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in

Notes to Standalone Financial Statements for the year ended March 31, 2018

extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. Contingent liabilities are disclosed separately.

Contingent assets

Where an inflow of economic benefits is probable, the Company discloses a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect.

Contingent assets are disclosed but not recognised in the financial statements.

p) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash, which are subject to insignificant risk of changes in value.

q) Cash Flow Statement

Cash flows are presented using indirect method, whereby profit / (loss) before tax is

adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

Bank borrowings are generally considered to be financing activities.

r) Earnings per share

The basic earnings per share are computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2:

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

There are no transfers between levels 1, 2 and 3 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- the fair value of certain financial instruments have been determined based on the buy back offer made by the originator of the instrument.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

Details of the investment property and its fair value:

Investment Property disclosed is net of depreciation

The fair values of investment properties have been determined with reference to the guideline value as determined by the Government for the location at which the property is located, increased by the depreciated value of buildings.

Notes to Standalone Financial Statements for the year ended March 31, 2018

27 FINANCIAL INSTRUMENTS

Capital management

The Company manages its capital to ensure that entities in the Company will be able to continue as going concern, while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and other short-term borrowings.

The capital structure of the Company consists only of equity.

Gearing Ratio:

Other financial liabilities	5,076.35	4,024.34	5,558.05

Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using natural hedging financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, the use of financial derivatives, and the investment of excess liquidity. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

Notes to Standalone Financial Statements for the year ended March 31, 2018

Market risk

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The Company actively manages its currency and interest rate exposures through its finance division and uses derivative instruments such as forward contracts and currency swaps, wherever required, to mitigate the risks from such exposures. The use of derivative instruments is subject to limits and regular monitoring by appropriate levels of management.

Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company actively manages its currency rate exposures through a centralised treasury division and uses natural hedging principles to mitigate the risks from such exposures. The use of derivative instruments, if any, is subject to limits and regular monitoring by appropriate levels of management.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Currency	Liabilities			Assets			Net overall exposure on the currency - net assets / (net liabilities)
	Gross exposure	Exposure hedged using derivatives	Net liability exposure on the currency	Gross exposure	Exposure hedged using derivatives	Net Assets exposure on the currency

Notes to Standalone Financial Statements for the year ended March 31, 2018

Foreign currency sensitivity analysis

Movement in the functional currencies of the various operations of the Company against major foreign currencies may impact the Company's revenues from its operations. Any weakening of the functional currency may impact the Company's cost of imports and cost of borrowings and consequently may increase the cost of financing the Company's capital expenditures. The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a simultaneous parallel foreign exchange rates shift in the foreign exchange rates of each currency by 2%, which represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 2% change in foreign currency rates. The sensitivity analysis includes external loans as well as loans to foreign operations within the Company where the denomination of the loan is in a currency other than the functional currency of the lender or the borrower.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Interest rate risk management

The Company is exposed to interest rate risk because it borrow funds at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings. **Interest rate sensitivity analysis** The sensitivity analyses below have been determined based on the exposure to interest rates for both derivatives and non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 25 basis point increase or decrease is used when reporting interest rate risk internally to key

management personnel and represents management's assessment of the reasonably possible change in interest rates.

Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is not subject to credit risk as the internally generated funds are used to meet their financial requirements

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure is the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, margin money and other financial assets excluding equity investments.

Offsetting related disclosures

Offsetting of cash and cash equivalents to borrowings as per the consortium agreement is available only to the bank in the event of a default. Company does not have the right to offset in case of the counter party's bankruptcy, therefore, these disclosures are not required.

Liquidity risk management Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit . The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Liquidity tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Note: (i) The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated terms of the obligations.

(ii) The estimate of future salary increased considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.

(iii) The Company is expected to contribute Rs.300.00 Lakhs to the Gratuity Fund next year.

(iv) Sensitivity Analysis:

Particulars	As at 31.03.2018	As at 31.03.2017
A. Discount Rate + 100 BP Defined Benefit Obligation [PVO]	-9.02% 1,705.88	-9.42% 1,594.33
B. Discount Rate - 100 BP Defined Benefit Obligation [PVO]	10.58% 2,073.55	11.10% 1,955.55
C. Salary Escalation Rate + 100 BP Defined Benefit Obligation [PVO]	9.81% 2,059.04	9.70% 1,930.86
D. Salary Escalation Rate - 100 BP Defined Benefit Obligation [PVO]	-8.61% 1,713.75	-8.68% 1,607.39
E. Attrition Rate + 100 BP Defined Benefit Obligation [PVO]	-2.62% 1,825.91	-2.85% 1,709.97
F. Attrition Rate - 100 BP Defined Benefit Obligation [PVO]	3.01% 1,931.58	3.28% 1,817.84

v Risk exposure:

The Company's Gratuity fund is maintained by an approved trust (Life Insurance Corporation of India). A large portion of the investment made by the LIC is in government bonds and securities and other approved securities. Hence, the company is not exposed to the risk of asset volatility as at the balance sheet date.

vi Defined benefit liability and employer contributions:

The weighted average duration of the defined benefit obligation is 15.16 years (2016-17 15.16 years). The expected maturity analysis of undiscounted gratuity is as follows:

Particulars	March 31, 2018	March 31, 2017
Less than 1 year	154.32	155.62
Between 1 - 2 years	96.85	96.26

Notes to Standalone Financial Statements for the year ended March 31, 2018

43 First-time adoption of Ind AS

Transition to Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in Note III have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet at April 1, 2016 (The company's date of transition).

In preparing its opening Ind AS balance sheet, the company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

An explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows is set out in the following tables and notes.

A. Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A.1 Ind AS optional exemptions

A.1.1 Deemed cost for PPE, Intangibles and Investment Property Ind AS 101 permits a first-time adopter to elect to fair value a class of property, plant and equipment or to continue with the carrying value for all of its PPE as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning

liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 "Intangible Assets".

Accordingly, the company has elected to continue the property, plant and equipment, intangible assets and investment property at their previous GAAP values.

A.1.2. Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVOCI or FVTPL on the basis of the facts and circumstances at the date of transition to Ind AS. The company has elected to apply this exemption for its investment in equity investments. Accordingly, the investment in equity instruments are classified as FVOCI except its subsidiaries and associates which is measured at amortised cost.

A.1.3. Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The company has elected to apply this exemption for such contracts/arrangements.

A.2 Ind AS mandatory exceptions

A.2.1 Estimates

"An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made

Notes to Standalone Financial Statements for the year ended March 31, 2018

for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 1, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The company made estimates for impairment of financial assets based on expected credit loss model in accordance with Ind AS at the date of transition as these were not required under previous GAAP: "Impairment of financial assets based on expected credit loss model."

B. Notes to first-time adoption

B.1 Trade receivables

As per Ind AS 109, The company is required to apply expected credit loss model for recognising the allowance for doubtful debts. Accordingly, the Company has developed an assessment for allowance for expected credit loss. The same has been considered in the opening and comparative period financial statements.

B.2 Transaction costs in respect of financial instruments

"Under the previous GAAP, transaction costs in relation to financial liabilities are charged to the profit and loss in the year in which they are incurred." "As per Ind AS 109, transaction costs in relation to financial liabilities are to be reduced from the related financial liabilities and amortised over the repayment period of the said liability."

B.3 Remeasurement of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan

assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year. Adjustments have been made for such re-classifications.

B.4 Constructive obligations

Under Ind AS, any constructive obligation shall also be considered and provided for in the financial statements. Accordingly, the Company has measured its constructive obligation relating to salary revision based on best estimate and considered the same in the Ind AS financial statements.

B.5 Decommissioning liability

Under Ind AS, any obligation towards decommissioning liability shall be estimated and provided. The Company has certain obligations to restore the land to its original position, in respect of land acquired for mining (both freehold and leasehold). The said liability has been estimated as per Ind AS 37 and accounted for in the Ind AS financial statements.

B.6 Fair valuation of financial assets and liabilities

Under Ind AS, financial assets and liabilities are to be valued at amortised cost or fair valued through profit and loss (FVTPL) or fair valued through other comprehensive income (FVTOCI) based on the Company's business objectives and the cash flow characteristics of the underlying financial assets and liabilities. The Company has remeasured the financial assets and liabilities as on the date of transition and the consequential impact has been given in the opening retained earnings.

Notes to Standalone Financial Statements for the year ended March 31, 2018

B.7 Government Grants

Under Ind AS, Government grants related to assets, including non-monetary grants at fair value, is presented in the balance sheet by setting up the grant as deferred income. The grant set up as deferred income is recognised in profit or loss on a systematic basis over the useful life of the asset. The Company has remeasured the capital grants as aforesaid and accounted in the Ind AS financial statements.

B.8 Proposed dividends

Under Ind AS, liability to pay dividends arises only when the share holders approves the dividends recommended by the board of directors. Till such approval the proposed dividends does not meet the recognition criteria of a liability. The Company has accordingly, reversed the provisions for proposed dividends and the related taxes. Only a disclosure as required by Ind AS has been made

B.9 Deferred tax

Under Ind AS, the deferred tax asset and liabilities are required to be accounted based on balance sheet approach. The Company has remeasured its deferred tax assets and liabilities as aforesaid and accounted in the Ind AS financial statements.

B.10 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company,

is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment properties (other than land) are depreciated using the written down value method over their estimated useful lives. Investment properties have a useful life of 30 years. The useful lives have been determined based on Schedule II to the Companies Act, 2013.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment properties recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

B.11 Assets held for sale

The assets which are meet the criteria under Ind AS 105 are classified as 'Assets held for Sale'. Assets held for sale are measured at the lower of the carrying amount and fair value less costs to sell and the depreciation of an asset is to cease.

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF L.G.BALAKRISHNAN & BROS LIMITED****Report on the Consolidated Ind AS Financial Statements:**

We have audited the accompanying Consolidated Ind AS Financial Statements of L.G.BALAKRISHNAN & BROS LIMITED (hereinafter referred to as "the Holding Company"), its subsidiaries and its associates (the Holding Company, its subsidiaries and its associate together referred to as the "the Group") comprising the Balance Sheet as at 31st March 2018, the Consolidated Statement of Profit and Loss (Including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS Financial Statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements:

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group in accordance with the Accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act 2013, read with relevant rules issued there under. The respective Board of Directors of the Companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls,

that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility:

Our responsibility is to express an opinion on these Consolidated Ind AS Financial Statements based on our audit. While conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of directors, as well as evaluating the overall presentation of the Consolidated Ind AS Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters Paragraph below, is sufficient and appropriate to provide a basis

for our audit opinion on the Consolidated Ind AS Financial Statements.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on the separate financial statements of the subsidiaries and on the other financial information of the subsidiaries and associates, referred to in Other Matters paragraph below, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards and other accounting principles generally accepted in India, of the consolidated financial position of the Group as at 31 March 2018, and its consolidated financial performance (including other comprehensive income), its consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Other Matter

We did not audit the financial statements/financial information of 3 subsidiaries whose financial statements/financial information reflect assets of Rs.8436.08 Lakhs as at 31 December 2017, total revenue of Rs.10,259.14 Lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. The consolidated Ind AS financial statements also include the group's share of net profit of Rs. 96.64 lakhs for the year ended 31 March, 2018 as considered in the consolidated financial statements in respect of one associate, whose financial statements/financial information has not been audited by us. These financial statements/financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in the respect of these subsidiaries and associate and our report in terms of Section 143(3) & Section 143(11) of the Act in so far as it relates to the aforesaid subsidiaries and associate is solely based on such unaudited financial statements/financial information. In our opinion and

Our Opinion on the Consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements/financial information certified by the management.

Report on Other Legal and Regulatory Requirements:

As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements and the other financial information of subsidiaries and associate as noted in the Other Matter paragraph, we report, to the extent applicable that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books and reports of other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
- d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31 March, 2018 taken on record by the Board of Directors of the Holding Company and declarations received from the directors of the Associate none of the directors of the Group are disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls of the Holding Company and associate incorporated in India, refer to our separate Report in “Annexure B”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other Auditors on consolidated financial statements and other financial information of the subsidiaries and Associate, as noted in the ‘Other Matter’ Paragraph:
- i. The Consolidated Ind AS Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group and Associate.
 - ii. The Group and its Associate did not have any material foreseeable losses on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary Companies, Associate incorporated in India.

“Annexure - A” to the Independent Auditor’s Report to the members of L.G.BALAKRISHNAN & BROS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013:

In conjunction with our audit of the Consolidated Ind AS Financial Statements of L.G.BALAKRISHNAN & BROS LIMITED (“the Holding Company”), as of and for the year ended 31 March 2018, We have audited the internal financial controls over financial reporting of the Holding Company and its Associate incorporated in India, as of that date.

Management’s Responsibility for the Internal Financial Controls:

The respective Board of Directors of the Holding Company and its associate company, which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the respective companies considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility:

Our responsibility is to express an opinion on internal financial controls over financial reporting of the Holding Company and its Associate incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the

Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the holding company and its associate incorporated in India, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:-

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial Statements.

Inherent Limitations of Internal Financial controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

Place : Coimbatore
Date : 31.07.2018

of the report of the other auditor referred to in the Other Matters paragraph below, the Holding Company and its Associate incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary companies, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters:

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one associate company, which is incorporated in India, is based solely on the corresponding report of the auditor of such company incorporated in India.

Our opinion is not modified in respect of the above matter.

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

I Corporate Information

L.G.Balakrishnan & Bros Limited was found in 1937 as a transport Company and has evolved today as a major manufacturer of chains, sprockets and metal formed parts for automotive applications. Its business segments include transmission, metal forming and others. Its transmission products include chains, sprockets, tensioners, belts and brake shoe. It also offers metal forming products consisting of fine blanking for precision sheet metal parts, machined components and wire drawing products for internal use as well as for other chain manufacturing plants, spring steel suppliers and umbrella manufacturers. The Company's products are marketed under the "Rolon" brand. LGB has manufacturing units spread across Tamil Nadu, Maharashtra, Uttrakhand, Karnataka, Hariyana and Rajasthan.

II Basis of preparation of financial statements**Statement of compliance**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Certain fixed assets of the Company which were acquired before April 1, 2014 have been fair valued in earlier years (prior to transition date), based on scheme of arrangement approved by the High court of Judicature. However, for transition to Ind AS, the Company has elected to continue with the carrying value of such assets as of April 01, 2016 measured as per previous GAAP and use that carrying value as deemed cost as of transition date.

Basis of preparation and presentation

For all periods up to and including the year ended March 31, 2018, the Company prepared its financial statements in accordance with accounting

standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

The financial statements for the year ended March 31, 2018 are the first financial statements the Company has prepared in accordance with Ind AS with the date of transition as April 1, 2016. Refer to note 37 for information on how the Company adopted Ind AS.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- a) Derivative financial instruments
- b) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

Principles of consolidation:

The consolidated financial statements relate to L.G.Balakrishnan & Bros Limited (the 'Company'), its subsidiary companies and the Group's share of profit / loss in its associates. The consolidated financial statements have been prepared on the following basis:

- (i) The financial statements of the subsidiary companies used in the consolidation are drawn upto the same reporting date as that of the Company i.e., 31 March, 2018, except for certain subsidiary companies as mentioned in (ix) below for which financial statements as on reporting date are not available. These have been consolidated based on latest available financial statements. Necessary adjustments have been made, for the effects of significant transactions and other events between the reporting dates of such financial statements and these consolidated financial statements.
- (ii) The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions and resultant unrealized profits or losses, unless cost cannot be recovered have been fully eliminated.

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

- (iii) The consolidated financial statements include the share of profit / loss of the associate companies which have been accounted for using equity method as per Ind AS 28 Accounting for Investments in Associates in Consolidated Financial Statements. Accordingly, the share of profit/ loss of each of the associate companies (the loss being restricted to the cost of investment) has been added to / deducted from the cost of investments.
- (iv) The excess of cost to the Group of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the dates on which the investments in the subsidiary companies were made, is recognised as 'Goodwill' being an asset in the consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the consolidated financial statements. The 'Goodwill' / 'Capital Reserve' is determined separately for each subsidiary company and such amounts are not set off between different entities.
- (v) In case of the foreign subsidiary, being non-integral operations, revenue items are consolidated at the average rate prevailing during the year. All the assets and liabilities are converted at the rate prevailing at the year end. Any exchange difference arising on consolidation is recognized in the exchange fluctuation reserve.
- (vi) Minority interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit/loss for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to the shareholders of the Company.
- (vii) The following subsidiary companies and associates have been considered in the preparation of consolidated financial statements:

Name of Subsidiary Company	M/s.BCW V Tech India (P) Limited	LGB- USA INC	GFM Acquisition LLC (Formerly known as GFM Corporation)	GFM LLC	Renold Chain India (P) Ltd
Relationship	Wholly owned Subsidiary	Subsidiary	Subsidiary	Subsidiary	Subsidiary

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (up to two decimals).

The financial statements are approved for issue by the Company's Board of Directors on 31st July, 2018.

II A Property, Plant and Equipment (PPE), Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by the technical team at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

Current tax

Calculations of income taxes for the current period are done based on applicable tax laws and

management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

Deferred Tax Assets (including MAT Credit Entitlement)

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained/ recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Fair value

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Impairment of Trade Receivables

The impairment for trade receivables are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

Impairment of Non-financial assets (PPE/ Intangible Assets/ Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

Defined Benefit Plans and Other long term

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

employee benefits

The cost of the defined benefit plan and other long term employee benefits, and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the reporting date. The actual outflow of resources at a future date may therefore vary from the figure estimated at end of each reporting period.

IIB Recent accounting pronouncements**Standards issued but not yet effective**

The following standards have been notified by Ministry of Corporate Affairs

- a. Ind AS 115 - Revenue from Contracts with Customers (effective from April 1, 2018)
- b. Ind AS 116 - Leases (effective from April 1, 2019)

The Company is evaluating the requirements of the above standards and the effect on the financial statements is also being evaluated.

III Significant Accounting Policies**a) Revenue Recognition****Sale of goods**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue on sale of goods is recognised when the risk and

rewards of ownership is transferred to the buyer, which generally coincides with the despatch of the goods or as per the inco-terms agreed with the customers.

Income from Service

Income from sale of services is recognised when the services are rendered as per the terms of the agreement and when no significant uncertainty as to its determination or realisation exists.

Interest Income

Interest income is recorded using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognized when the company's right to receive dividend is established on the reporting date, which is generally when shareholders approve the dividend.

Rental income

Rental income from operating lease on investment properties is recognised on a straight line basis over the term of the relevant lease, if the escalation is not a compensation for increase in cost inflation index.

b) Property, plant and equipment and capital work in progress**Deemed cost option for first time adopter of Ind AS**

Under the previous GAAP (Indian GAAP), property, plant and equipment were carried in the balance sheet at cost less accumulated depreciation. The Company has elected to consider the previous GAAP carrying amount of the intangible assets as the deemed cost as at the date of transition, viz., 1 April 2016.

Property, plant and equipment and capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The actual cost capitalised includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

expenses incurred during the construction / installation stage. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs of a qualifying asset, if the recognition criteria are met.

Advances paid towards the acquisition of tangible assets outstanding at each balance sheet date, are disclosed as capital advances under long term loans and advances and the cost of the tangible assets not ready for their intended use before such date, are disclosed as capital work in progress.

All material/ significant components have been identified and have been accounted separately. The useful life of such component are analysed independently and wherever components are having different useful life other than plant, the useful life of components are considered for calculation of depreciation.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c) Depreciation on property, plant and equipment

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a written down value method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value.

Depreciation is provided on straight line method, over the useful lives specified in Schedule II to the Companies Act, 2013 except for the following items, where useful life estimated on technical assessment, past trends and differ from those provided in Schedule II of the Companies Act, 2013.

Assets Category	Estimated useful life (in years)
Tools and dies	5
Leasehold land	99
Windmill	25

Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded/ sold. Additions to fixed assets, costing 5000 each or less are fully depreciated retaining its residual value.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Intangible assets

Under the previous GAAP (Indian GAAP), intangible assets were carried in the balance sheet at cost less accumulated depreciation. The Company has elected to consider the previous GAAP carrying amount of the intangible assets as the deemed cost as at the date of transition, viz., 1 April 2016.

Intangible assets acquired separately are measured on initial recognition at cost. The cost of a separately acquired intangible asset comprises (a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and (b) any directly attributable cost of preparing the asset for its intended use. "Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

e) Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes).

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16 - Property, plant and equipments requirements for cost model.

Company depreciates investment property as per the useful life prescribed in Schedule II of the Companies Act, 2013.

Though the Company measures investment property using the cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation applying a valuation model. External valuers are involved, wherever necessary with the approval of Company's board of directors. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

f) Inventories

Inventories are valued at lower of cost and net realizable value. Cost includes all direct costs and applicable production overheads, to bring the goods to the present location and condition.

- i) Costs of raw materials, packing materials, tools and dies and Store & Spare Parts are computed on weighted average basis.
- ii) Costs of finished goods and semi-

finished goods are computed on weighted average basis.

- iii) Agriculture Produce is valued at estimate realizable value."
- iv) Cost of stock held for trading are computed on weighted average basis.

g) Financial Instruments

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are also added to the cost of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified on the basis of their contractual cash flow characteristics and the entity's business model of managing them.

Financial assets are classified into the following categories:

- ┆ Debt instruments at amortised cost
- ┆ Debt instruments at fair value through other comprehensive income (FVTOCI)
- ┆ Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- ┆ Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

The Company classifies a debt instrument as at amortised cost, if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

for collecting contractual cash flows; and

- b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instrument at FVTOCI

The Company classifies a debt instrument at FVTOCI, if both of the following criteria are met.

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes finance income, impairment losses and reversals and foreign exchange gain or loss in the profit and loss statement. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

The Company classifies all debt instruments, which do not meet the criteria for

categorization as at amortized cost or as FVTOCI, as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. Where the Company makes an irrevocable election of classifying the equity instruments at FVTOCI, it recognises all subsequent changes in the fair value in OCI, without any recycling of the amounts from OCI to profit and loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents SPPI, are measured as detailed below depending on the business model:

Classification	Name of the financial asset
Amortised cost	Trade receivables, deposits, interest receivable, unbilled revenue and other advances recoverable in cash.
FVTOCI	Equity investments in companies other than subsidiaries and associates if an option exercised at the time of initial recognition.
FVTPL	Other investments in equity instruments, mutual funds, forward exchange contracts (to the extent not designated as a hedging instrument).

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

Derecognition

A financial asset is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, receivables and bank balance.
- b) Financial assets that are debt instruments and are measured at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- I Trade receivables or contract revenue receivables; and
- I All lease receivables resulting from transactions within the scope of Ind AS 17

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL and as at amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts,

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

financial guarantee contracts and derivative financial instruments.

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to profit and loss. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss

it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and, if not designated as at fair value through profit or loss, are subsequently measured at higher of (i) The amount of loss allowance determined in accordance with impairment requirements of Ind AS 109 - Financial Instruments and (ii) The amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18 - Revenue.

Derivative financial instruments

The Company holds derivative financial instrument foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

(a) Derivatives fair valued through profit or loss

This category has derivative financial assets or liabilities which are not designated as hedges.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets / liabilities in this category are presented as current

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

assets / current liabilities if they are either held for trading or are expected to be realized within 12 months after the Balance Sheet date.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

h) Foreign currency transactions and translations

Transactions and balances

Transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. However, for practical reasons, the Company uses an average rate, if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e.,

translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

The Company enters into forward exchange contract to hedge its risk associated with Foreign currency fluctuations. The premium or discount arising at the inception of a forward exchange contract is amortized as expense or income over the life of the contract. In case of monetary items which are covered by forward exchange contract, the difference between the yearend rate and rate on the date of the contract is recognized as exchange difference. Any profit or loss arising on cancellation of a forward exchange contract is recognized as income or expense for that year.

i) Borrowing Costs

Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing cost that the Company capitalises during the period does not exceed the amount of borrowing cost incurred during that period. All other borrowings costs are expensed in the period in which they occur.

Interest income earned on the temporary

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. “All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.”

j) Government grants

Government grants are recognised at fair value where there is a reasonable assurance that the grant will be received and all the attached conditions are complied with.

In case of revenue related grant, the income is recognised on a systematic basis over the period for which it is intended to compensate an expense and is disclosed under “Other operating revenue” or netted off against corresponding expenses wherever appropriate.

k) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between

the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Where there is deferred tax assets arising from carry forward of unused tax losses and unused tax created, they are recognised to the extent of deferred tax liability.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

l) Retirement and other employee benefits
Short-term employee benefits

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

A liability is recognised for short-term employee benefit in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Defined contribution plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined benefit plans

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

Other long term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by the employees up to the reporting date.

m) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to April 1, 2016, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

All other leases are operating leases.

Operating Lease treatment as leasee:

Lease arrangements under which all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease rental under operating lease are recognised in the Statement of Profit and Loss on a straight line basis over the lease term

n) Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

o) Provisions, contingent liabilities and contingent asset

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are discounted, if the effect of

the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Necessary provision for doubtful debts, claims, etc., are made, if realisation of money is doubtful in the judgement of the management.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. Contingent liabilities are disclosed separately.

Contingent assets

Where an inflow of economic benefits is probable, the Company discloses a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect.

Contingent assets are disclosed but not recognised in the financial statements.

p) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements

Particulars	March 31, 2018			March 31, 2017			April 1, 2016

Financial Liabilities	-	-	-	-	-	-	-	-	-	-	-	-
Total Financial Liabilities	-	-	-	-	-	-	-	-	-	-	-	-

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2:

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

There are no transfers between levels 1, 2 and 3 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- the fair value of certain financial instruments have been determined based on the buy back offer made by the originatory of the instrument.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

Details of the investment property and its fair value:

Investment Property disclosed is net of depreciation

The fair values of investment properties have been determined with reference to the guideline value as determined by the Government for the location at which the property is located, increased by the depreciated value of buildings.

Capital management

The Company manages its capital to ensure that entities in the Company will be able to continue as going concern, while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and other short-term borrowings.

The capital structure of the Company consists only of equity.

Gearing Ratio:

Particulars	As at 31.03.2018	As at 31.03.2017	As at 01.04.2016

Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using natural hedging financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, the use of financial derivatives, and the investment of excess liquidity. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

Market risk

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The Company actively manages its currency and interest rate exposures through its finance division and uses derivative instruments such as forward contracts and currency swaps, wherever required, to mitigate the risks from such exposures. The use of derivative instruments is subject to limits and regular monitoring by appropriate levels of management.

Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company actively manages its currency rate exposures through a centralised treasury division and uses natural hedging principles to mitigate the risks from such exposures. The use of derivative instruments, if any, is subject to limits and regular monitoring by appropriate levels of management.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Currency	Liabilities			Assets			Net overall exposure on the currency - net assets / (net liabilities)
	Gross exposure	Exposure hedged using derivatives	Net liability exposure on the currency	Gross exposure	Exposure hedged using derivatives	Net Assets exposure on the currency

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

Foreign currency sensitivity analysis

Movement in the functional currencies of the various operations of the Company against major foreign currencies may impact the Company's revenues from its operations. Any weakening of the functional currency may impact the Company's cost of imports and cost of borrowings and consequently may increase the cost of financing the Company's capital expenditures. The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a simultaneous parallel foreign exchange rates shift in the foreign exchange rates of each currency by 2%, which represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 2% change in foreign currency rates. The sensitivity analysis includes external loans as well as loans to foreign operations within the Company where the denomination of the loan is in a currency other than the functional currency of the lender or the borrower.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Interest rate risk management

The Company is exposed to interest rate risk because it borrow funds at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings

Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for both derivatives and non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 25 basis point increase

or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is not subject to credit risk as the internally generated funds are used to meet their financial requirements

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure is the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, margin money and other financial assets excluding equity investments.

Offsetting related disclosures

Offsetting of cash and cash equivalents to borrowings as per the consortium agreement is available only to the bank in the event of a default. Company does not have the right to offset in case of the counter party's bankruptcy, therefore, these disclosures are not required.

Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Liquidity tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

29 EMPLOYEE BENEFIT PLANS

Defined Contribution plans:

The Company makes Provident Fund and Superannuation Fund contributions to defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognized Rs.818.02 Lakhs (Year ended 31 March, 2017 Rs.683.12 Lakhs) for Provident Fund contributions and Rs.10.65 Lakhs (Year ended 31 March, 2017 Rs.11.26 Lakhs) for Superannuation Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the Schemes.

State plans:

The Company makes ESI contributions to Employees State Insurance Scheme. Under the Scheme, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised Rs. 220.60 Lakhs (Year ended 31 March, 2017 Rs.168.97 Lakhs) in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the Scheme.

Defined Benefit Plan - Gratuity:

The Company provides gratuity benefit (included as part of employees contribution to funds in Note 21 Employee benefits expense) to all eligible employees, which is funded with Life Insurance Corporation of India.

The following table sets out the funded status of the defined benefit schemes and the amount recognised in the financial statements

Particulars	For the year ended 31 March 2018	For the year ended 31 March 2017
Components of employer expenses

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

37 First-time adoption of Ind AS**Transition to Ind AS**

These are the Company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in Note III have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet at April 1, 2016 (The company's date of transition).

In preparing its opening Ind AS balance sheet, the company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

An explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows is set out in the following tables and notes.

A. Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A.1 Ind AS optional exemptions**A.1.1 Deemed cost for PPE, Intangibles and Investment Property**

Ind AS 101 permits a first-time adopter to elect to fair value a class of property, plant and equipment or to continue with the carrying value for all of its PPE as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This

exemption can also be used for intangible assets covered by Ind AS 38 "Intangible Assets".

Accordingly, the company has elected to continue the property, plant and equipment, intangible assets and investment property at their previous GAAP values.

A.1.2. Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVOCI or FVTPL on the basis of the facts and circumstances at the date of transition to Ind AS. The company has elected to apply this exemption for its investment in equity investments. Accordingly, the investment in equity instruments are classified as FVOCI except its subsidiaries and associates which is measured at amortised cost.

A.1.3. Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The company has elected to apply this exemption for such contracts/arrangements.

A.2 Ind AS mandatory exceptions**A.2.1 Estimates**

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

objective evidence that those estimates were in error. "Ind AS estimates as at April 1, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The company made estimates for impairment of financial assets based on expected credit loss model in accordance with Ind AS at the date of transition as these were not required under previous GAAP: "- Impairment of financial assets based on expected credit loss model."

B. Notes to first-time adoption

B.1 Trade receivables

As per Ind AS 109, The company is required to apply expected credit loss model for recognising the allowance for doubtful debts. Accordingly, the Company has developed an assessment for allowance for expected credit loss. The same has been considered in the opening and comparative period financial statements.

B.2 Transaction costs in respect of financial instruments

Under the previous GAAP, transaction costs in relation to financial liabilities are charged to the profit and loss in the year in which they are incurred.

As per Ind AS 109, transaction costs in relation to financial liabilities are to be reduced from the related financial liabilities and amortised over the repayment period of the said liability.

B.3 Remeasurement of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the

profit or loss for the year. Adjustments have been made for such re-classifications.

B.4 Constructive obligations

Under Ind AS, any constructive obligation shall also be considered and provided for in the financial statements. Accordingly, the Company has measured its constructive obligation relating to salary revision based on best estimate and considered the same in the Ind AS financial statements.

B.5 Decommissioning liability

Under Ind AS, any obligation towards decommissioning liability shall be estimated and provided. The Company has certain obligations to restore the land to its original position, in respect of land acquired for mining (both freehold and leasehold). The said liability has been estimated as per Ind AS 37 and accounted for in the Ind AS financial statements.

B.6 Fair valuation of financial assets and liabilities

Under Ind AS, financial assets and liabilities are to be valued at amortised cost or fair valued through profit and loss (FVTPL) or fair valued through other comprehensive income (FVTOCI) based on the Company's business objectives and the cash flow characteristics of the underlying financial assets and liabilities. The Company has remeasured the financial assets and liabilities as on the date of transition and the consequential impact has been given in the opening retained earnings.

B.7 Government Grants

Under Ind AS, Government grants related to assets, including non-monetary grants at fair value, is presented in the balance sheet by setting up the grant as deferred income. The grant set up as deferred income is recognised in profit or loss on a systematic basis over the useful life of the asset.. The

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

Company has remeasured the capital grants as aforesaid and accounted in the Ind AS financial statements.

B.8 Proposed dividends

Under Ind AS, liability to pay dividends arises only when the share holders approves the dividends recommended by the board of directors. Till such approval the proposed dividends does not meet the recognition criteria of a liability. The Company has accordingly, reversed the provisions for proposed dividends and the related taxes. Only a disclosure as required by Ind AS has been made

B.9 Deferred tax

Under Ind AS, the deferred tax asset and liabilities are required to be accounted based on balance sheet approach. The Company has remeasured its deferred tax assets and liabilities as aforesaid and accounted in the Ind AS financial statements.

B.10 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the

asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment properties (other than land) are depreciated using the written down value method over their estimated useful lives. Investment properties have a useful life of 30 years. The useful lives have been determined based on Schedule II to the Companies Act, 2013.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment properties recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

B.11 Assets held for sale

The assets which are meet the criteria under Ind AS 105 are classified as 'Assets held for Sale'. Assets held for sale are measured at the lower of the carrying amount and fair value less costs to sell and the depreciation of an asset is to cease .

Notes forming part of Consolidated financial statements for the year ended March 31, 2018

38 Key reconciliation required as per Ind AS 101 on transition to Ind AS (₹ in Lakhs)

(a) Reconciliation of equity	As at March 31, 2017	As at April 1, 2016
